## SKILLS

they come and go. Ask upon request. I may have none

## Stuff

**Fingerstyle Guitar** - started circa 2013. Anything from classical to worship music. Occasionally Beatles

**Traditional Art** - portrait artist with a couple clients. Before that, I spent a good 10 years of my childhood in art. But now I retired

**Worked at a Ranch** - for 5 days straight my friend and I spent our time transplanting tomatoes plants, shot some guns, chopped some trees, spray painted half a house, fixed foundation and smashed my finger :[

**Subjects Interested** - Artificial Intelligence - Web Development - Neuroscience - Psychology - Religion

## Stuff I Don't Do

**Sports** - i don't know why I can't get into it...

**Video Gaming** - haven't played since I started college in 2012.. Tried to get back into with a Nintendo Switch but ended up giving it away :[
