SKILLS

they come and go. Ask upon request. I may have none

OTHER

Fingerstyle Guitar - started circa 2013. Anything from classical to worship music. Occasionally Beatles

Traditional Art - portrait artist with a couple clients. Before that, I spent a good 10 years of my childhood in art. But now I retired

Worked at a Ranch - for 5 days straight my friend and I spent our time transplanting tomatoes plants, shot some guns, chopped some trees, spray painted half a house, fixed foundation and smashed my finger :[

Subjects Interested - Artificial Intelligence - Web Development - Neuroscience - Psychology - Religion

NOT OTHER

Sports - iono why I can't get into it...

Video Gaming - haven't played since I started college in 2012.. Tried to get back into with a Nintendo Switch but ended up giving it away :[
